

JOYCE BONE KEYNOTE SPEECH TOPICS

"Growing Your Business & Career without Losing Yourself"

This talk highlights how women's roles have changed and that raising a business and family at the same time successfully is possible.

Joyce shares her secrets of success and continuous development by executing life "fit". In her down to earth insights she shares how she's been able to "have it all":

successful marriage, children & career. Joyce is interested in helping all people improve their lives.

"Visionaries: Real Life Stories of Remarkable Women"

Joyce has interviewed nearly 100 millionaire moms. She shares their amazing stories with you like Nadja Piatka who went hiding under a table from bill collectors pounding on her door to a successful \$20 million a year food business, Farah Perelmuter who visualized and took action on her dreams going from zero to \$15 million in annual revenues and Valerie Fitzgerald who was a single mom with no resources and is now a top producing realtor in Beverly Hills. Joyce took \$10,000 and turned it into \$1.5 million cash in 18 months through her business venture. Your dreams are possible! Be inspired by hearing how other women did it!

"Presence: Do you have it?"

In today's world being able to hold the interest of other's is a critical skill. Impressions are formed within the first few seconds of meeting. Let Joyce show you how to captivate the people in your world! You will leave with valuable insights & tips on how to improve your personal impact.

A Sense of Urgency

Joyce will share with you how to get more done than you ever imagined possible by creating a sense of the urgent. Learn how she manages 2 businesses, 3 boys, a husband, dog and volunteering without sacrificing health & fitness. You will walk away with valuable tools to apply to your life!
